## **1. ALLOWANCES AND REBATES ON YOUR BILL**

### **OVERVIEW**

#### **1.1 AT A GLANCE**

What we may give you a credit on your water bill or other help if you:

- You receive a higher than normal water bill and the extra water use is outside your control.

#### **1.2 SCOPE**

This Policy applies to customers who:

- Have a hidden leak on their property;
- Use a registered kidney dialysis machine at home.

#### **1.3 OBJECTIVE**

This Policy allows us to fairly compensate customers for:

- Additional water use.

---

## **2. ADDITIONAL WATER USE**

### **2.1 HIDDEN LEAK ALLOWANCE**

We may credit your next bill, if you've lost water due to a hidden leak in your private water service. We'll consider any information your plumber supplies before we make a decision.

We'll give you the allowance on the basis:

- You were unaware of the leak, as it wasn't visible;
- The leak wasn't caused because you neglected any visible or obvious defects in your private water service;
- You arranged for a licensed plumber to repair the leak to national plumbing standards;
- You haven't received a hidden leak allowance at the same property in the past five years.

We **may not** give the allowance if there are visible signs of a leak at your property, including:

- Soaking or dampness in walls;
- Consistently wet grass or damp soil on your property;
- Running toilets.

## 2.2 WHAT IS THE ALLOWANCE

| Customer type   | What we'll give you   |
|---|---|
| Residential   | <ul style="list-style-type: none"><li>We'll cover 50% of the increase in water use.</li><li>We'll work out the allowance using your water use in the same quarter the previous year.</li><li><b>Note:</b> We only give one allowance every five years at the same property.</li></ul> |
| Concession cardholders who currently receive a pensioner concession | <ul style="list-style-type: none"><li>We'll cover 50% of the increase in water use.</li><li>We'll determine the allowance, based on your water use in the same quarter the previous year.</li></ul>   |
| Non-residential   | <ul style="list-style-type: none"><li>We'll cover 50% of the increase in water use.</li><li>We'll cover 100% of the increase in wastewater use (if wastewater use charges apply).</li></ul>   |

## 2.3 HOW CAN I APPLY?

If you think you may have a hidden leak on your property:

- Contact a licensed plumber to locate and repair the leak and complete Annex 2 *Plumber's Report on Repair of Concealed Leak*;
- Fill out Annex 1 *Application for Concession on Water Account due to Concealed Leak* form. Post, fax or email the completed forms with a copy of your plumber's invoice to:

**Post** Cobar Shire Council  
PO Box 223  
COBAR NSW 2835

**Fax** 02 6836 3964

**Email** [finance@cobar.nsw.gov.au](mailto:finance@cobar.nsw.gov.au)

## 3. KIDNEY DIALYSIS WATER USE ALLOWANCE

### 3.1 WHAT IS THE ALLOWANCE

Cobar Shire Council will give an allowance of up to 400 kL a year (100 kL each quarter) to registered kidney dialysis customers. Renal physicians and dialysis centres consider this appropriate for dialysis needs.

### 3.2 HOW CAN I APPLY?

Ask your dialysis centre to contact Cobar Shire Council on (02) 6836 5888.

| Human Resources | Develop and implement an attraction engagement and attraction strategy including a succession plan.  | S Patterson    | 0%       | March 2017 will hopefully see the introduction of an electronic performance review system, which will provide for better reporting capabilities and professional development plans. The updating of Council's Workforce Plan will also include a succession plan for identified critical roles throughout the Organisation.   |
| Human Resources | Develop Staff and promote their inclusion in decision making through consultation and through measures such as the Staff Suggestion Program, regular team meetings and site visits by Manex. | S Patterson    | 25%      | Some areas of Council have regular team meetings but this could be improved and Manex site visits could be implemented. The staff suggestion program needs to be promoted to encourage more feedback from staff, we haven't had any suggestions for quite some time. Consultative Committee meetings schedule has been re-established this quarter and that Committee will now meet more regularly.   |
| Human Resources | Develop Staff Recognition and Reward Program.  | S Patterson    | 0%       | The Employee of the Month Award has been very successful to date, although had fallen off the radar a little, so is currently being re-promoted. We could do more to recognise and reward staff, although monetary rewards are not in scope or allowable within our current budget.   |
| Human Resources | Employees paid accurately and on time.   | S Patterson    | 25%      | Council's Payroll Officer ensures that all staff are paid accurately and timely in accordance with the relevant Awards, this includes working on weekends and Public Holidays on occasion to ensure that employees are unaffected when a Public Holiday falls early in the week - this is not required, nor is it generally realised by the wider employee body, but it is appreciated and should not go unnoticed. All raised payroll queries are addressed and rectified (if required) in the next available pay run. |

There have been employee relations issues, which have been dealt with in a professional and efficient manner. Employee satisfaction is slowly increasing with the implementation of a reward and recognition program and increased communication from management to staff. The organisational restructure currently being undertaken across all departments is being met with mixed feedback, where possible we are meeting with those concerned staff to relieve their concerns and encourage their support. |  |
| Human Resources  | Undertake biennial Staff Attitude Survey.   | S Patterson    | 100%     | Staff Attitude Survey is undertaken biennially, the last survey was completed in 2015, therefore not required until Q1 2017/2018 (or perhaps Q4 2016/17).  |  |
| Good recruitment and selection   | Ensure the organisational structure is appropriate to achieving the Budget or Delivery Program/Annual Operational Plan. | S Patterson    | 25%      | The current organisational structure is in line with budget availability, our biggest issue is the availability of suitable staff at management level and above. Vacant positions are being filled in a timely manner. Council is currently undergoing an organisational restructure in all departments. LMS software will be rolled out by end of Q4 to improve the requests process and then delivery of training needs across the organisation.   |  |
| Implement and manage an Employee Assistance Program for Council staff                | Oversee and promote Council's Employee Assistance Programme.  | S Patterson    | 25%      | The Employee Assistance Program (EAP) is widely used by Council employees. Staff feel confident and comfortable to access this service confidentially. New staff receive an EAP brochure in their employment pack and the service is discussed at the Corporate Induction.   |  |

| Staff are provided with up-to-date and relevant tools to undertake their roles | Review and update 15 Year Plant Rolling Replacement Program.                    | A De Silva     | 25%      | Preliminary discussions were held (2 rounds). Spread sheets were updated. Finalisation was postponed due to restructure related uncertainty. Once finalised, the end users (operators of plant to be replaced) need to be consulted before specification prepared. This being emphasised from last year. Need to continue. Must give leadership to make this change happen and make it standardised practice. |

COBAR SHIRE  
COUNCIL

2030

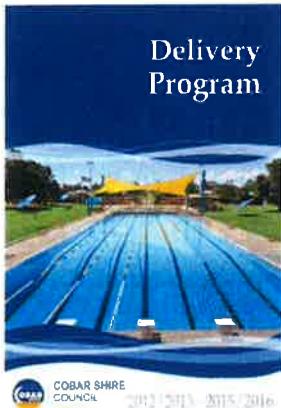

# Strategic Planning Framework

The **Community Engagement Strategy** outlines how Council will engage with its community and relevant stakeholders in developing and finalising the Community Strategic Plan. Over time it will be reviewed to outline how Council will ensure regular engagement and discussion with our community about their needs and aspirations for the town.

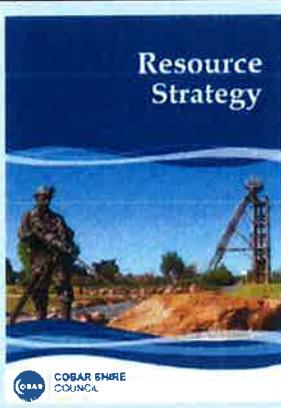

The **Community Strategic Plan** identifies the long term aspirations for our community. The Strategic Plan stretches beyond the next ten years, identifying the outcomes and long term strategic responses needed to achieve the agreed directions and meet the community's values. It demands strong leadership from Council in working with others to grow our Shire into the future.

The **4 Year Delivery Program** links the 'planning' in the long term Strategic Plan with the 'implementing' in the Annual Operational Plan. It is the strategic document that guides the organisation's work program over the Councillor's four year elected term. The Delivery Program sets out clear priorities, ongoing activities and specific actions Council will undertake, within its responsibilities and capacity, towards achieving the community's outcomes.

The **Annual Operational Plan** is the 'implementing' part of Council's key strategic documents, and outlines all of Council's services and infrastructure activities and tasks for the year. Both ongoing activities and specific tasks contribute to the implementation of Council's Delivery Program.

The **Resource Strategy** outlines Council's capacity to manage assets and deliver services over the next ten years. The Resource Strategy includes three key elements – a Long Term Financial Plan, a Workforce Plan and Asset Management Plans. To prepare the Resource Strategy, Council determines its capacity and how to effectively manage its finances, the sustainability of its workforce, and the overall costs of its community assets.

# Introduction

Community consultation and engagement are integral aspects of Council's every day activities. Engagement is not an 'add-on' activity. When Council has a good relationship with its community, it is more likely to understand the range of needs and aspirations of the community and to ultimately make better informed decisions.

The Engagement Strategy encourages the community to be informed and to participate in the decision-making processes that guide the development of shire-wide service provision.

## Aims of this Strategy

The aim of the Community Engagement Strategy is to strengthen and formalise Council's relationship with the community by establishing goals and principles for community engagement.

Community engagement is important for a number of reasons.

- Consultation with the community keeps Councillors informed of the ongoing issues within the community.
- Community engagement means keeping the community informed and involved so that Council can make better decisions that more closely match the needs and aspirations of the community.
- Closer relationships between the community and Council can lead to increased opportunity for cooperation and coordination of projects and services to improve the community.
- The community is more likely to trust and have confidence in Council if members are engaged and involved in Council's governance.
- Council is better able to advocate for its community.

# Goals of this Strategy

## Inform

Council will provide to the community balanced and objective information to assist them to understand the problems, alternatives, opportunities or solutions.

## Consult

Council will gather community feedback on issues, analysis, alternatives and decisions.

## Involve

Council will work directly with the community to ensure that public concerns and aspirations are consistently understood and considered.

## Partnership

Council will partner with the community in decision making including the development of alternatives and the identification of the preferred solution. The partnership between Council, government stakeholders, services providers, local organisations and the local community will be strengthened through ongoing engagement and encourage these partners to be well informed and proactive about the issues that affect them.

## Consistency

This strategy will provide a consistent approach across Council to all consultation processes and community engagement activities conducted by Council.

# Principles

Council's community engagement will be underpinned by the following principles:

- Council will communicate and consult with the community in ways that are sensitive to the needs of particular individuals or groups to maximise their ability to contribute.
- Council will encourage mutual respect for the needs, aspirations and opinions of all within the community.
- Council will keep the community informed about issues that are relevant to them and inform them of the results and actions taken from their input into decision making.
- Council will continuously look at the engagement undertaken to determine what could be done differently to improve the process next time.
- Council will listen to what the community has to say, valuing and respecting all ideas.
- Council will present information in a way that is easy to understand and appropriate for all sectors of the community.

Learning is central – engagement processes are opportunities to learn more about our community and the things that affect the Shire. Engagement skills are also built within Council and the community.

# Commitments

Council will achieve the goals and principles of community engagement through the following commitments:

---

## Leadership

- A strong organisational culture to support community engagement will be developed and this will be led by the senior management of Cobar Shire Council.
- Provision of clear leadership by explaining Council's decisions.
- Understand local issues and engage with the community in a proactive way.

## Advocacy

- Develop good positive relationships with other Councils, State and Federal Governments and other related agencies and stakeholders to provide an effective advocacy role for the community resulting in improved outcomes.
- Foster processes within the community to encourage and support the community to advocate on behalf of themselves.
- Assist the community to engage both State and Federal Governments about issues that are relevant to those governments.
- Have a willingness to act on behalf of the community when they cannot act for themselves.

## Continuous Improvements

- Share ideas, techniques, knowledge and experience about community engagement across the organisation and with other organisations.
- Create effective and timely feedback mechanisms so that the community is aware of how information gathered during consultations is used by Council.

## Encourage Engagement

- Develop specific strategies for effective communication and consultation and make stronger links with those members of the community that are often not engaged.
- Different processes and mediums are used to engage different groups in the community to participate.

## Communication

- Develop effective ways of communicating with the community about complex issues.
- Increase community awareness of Council's legislated responsibilities and related financial commitments.
- Inform the community the limits of what Council can do prior to and during consultation with the community.
- Improve the community's awareness of the role of Council including the range of services provided.
- The purpose of the engagement is clearly stated and expectations are agreed.
- Flexibly use technology and other forms of communication that are appropriate to the message and the audience.
- Ensure transparency in the way Council consults and its impact on service delivery through effective communication.
- Ensure all communication is plain and easy to read and understand.
- Provide timelines for response to Council activities that are appropriate to the community's needs and driven by community expectation.

## Methods

- Use a variety of methods that are appropriate to the issues and to the audience being engaged. These can include (but are not limited to), community forums, surveys, newsletters, mailouts, Council's website and Facebook pages and focus groups.
- The audience should be heard, not just listened to.

## Resources

- Acknowledge the importance of engaging the community and provide adequate resources to do so.

## Planning

- Improve networks and synergies with plans with other agencies to provide better outcomes for the community.
- Create long term plans for effective engagement with the community.

## Partnership

- Create collaborative relationships with community organisations, private enterprises and public agencies to identify mutual interests and undertake joint ventures.

# What Level of Engagement is Used and When?

The level of engagement is directly related to the complexity of the information needed and the degree of impact an action could have on the community. The higher the impact, the more complex the information, the greater the potential risk, and therefore the more engagement is needed.

## Identified Audiences

The following groups could be included in Council's consultation processes:

- Miners;
- Progress Associations;
- Youth, including schools;
- Farmers;
- Community and sporting organisations;
- Aboriginal groups;
- Council Staff;
- Disability agencies and community members with a disability;
- Councillors;
- Aged persons;
- The Cobar Liquor Accord;
- NSW and Federal government departments and Regional Development Australia (RDA) – Orana;
- The Cobar Services Forum;
- Business and tourism groups;
- Utility providers;
- Health organisations;
- Neighbouring councils and Orana Regional Organisation of Councils (OROC);
- Rural Roads Advisory Committee;
- Children's Services providers.

## Review

This strategy will be reviewed at least every four years from adoption.

# **Appendix 1 – Engagement for the Disability Inclusion and Action Plan 2016-2020**

Under the *Disability Inclusion Act 2014*, Councils must prepare a Disability Inclusion and Action Plan (DIAP) by 1 July 2017. Consulting people with disabilities must be undertaken and documented as part of this process. This plan must be reviewed every four years. As such, this is the engagement plan for the preparation of the 2016-2020 DIAP.

Council's DIAP strategies and actions must address the four key focus areas of:

- Developing positive community attitudes and behaviours.
- Creating liveable communities.
- Supporting access to meaningful employment.
- Improving access to services through better systems and processes.

The key features of developing the plan are in terms of engagement. As such the following key groups will be the focus of engagement activities:

- Council Staff – to get an understanding of disability in our workplace and amongst our workforce.
- The community – particularly those who have a disability or help to care for someone who does to assist in the development of the action plan priorities.
- Service providers – agencies, both government and non-government service providers who work with disability to understand the services provided, gaps, issues and where things are working well.

Engagement will be continuous throughout the life of the four year plan.

## **Council Staff**

Council will develop a small team from the management executive to drive this plan. Key participants will be Council's Special Projects Officer, Director of Planning and Environmental Services and the Human Resources Manager.

Key tasks looking at Council's own workforce:

- Review Council's policies, programs and plans relating to disability inclusion – existing services, facilities and programs.
- Undertake engagement with the workforce in terms of level of disability within our workforce, barriers to employees with disability undertaking their job and barriers for the public accessing our services.

## **Community Consultation**

Council will form a Disability Inclusion Committee comprised of members of the public with a disability or who care for someone with a disability. Terms of reference will be developed to guide the Committee and it is envisaged that this group will assist to identify gaps and opportunities.

**GENERAL BUSINESS**

**PEAKS OF COLOUR FUN RUN**

**COLOUR**

- The colour has been delivered to the Youth and Fitness Centre from Australian Rhino Productions;
- The red colour batch which was going to be donated by Red Earth Real Estate has been discontinued. The Cobar Youth Council need to approach the business and ask if they would like to sponsor a different colour station. Narelle Kriz suggests the Pink colour station is currently available and is a possible solution;
- Australian Rhino Productions have sold the Cobar Youth Council little bags of new colour powder such as purple to sell at the event;
- Narelle Kriz asked the Cobar Youth Council to organise a date prior to event entirely dedicated to filling the sauce bottles of colour powder to be placed at each station of the run and bags of colour to be sold. There should be at least five bottles each colour station.

**T-SHIRTS AND GLASSES**

- The participant t-shirts and singlets have been ordered online by Narelle Kriz with a similar design to the previous order. The shirts have a fluro design which will make the colour stand out more;
- The adult singlet design was fine; however the manufacturer could not make kids singlets with the same materials. The kids singlets design will be made with polyester;
- The glasses have arrived in a large mixed design lot. The Cobar Youth Council have organised the glasses into design categories;
- The Colour Run participants will receive a t-shirt, headband and glasses with registration.

**MOTION:** That the Cobar Youth Council organizes the t-shirt and headbands into shirt size sections and the participant can chose their own design of glasses.

*Charlee Davis/ Britney Fazulla*

### SPONSORS

- The Cobar Youth Council approached numerous local businesses with sponsor packs asking if they would like to donate to the Colour Run;
- The Peak Gold Mine are the major sponsors for the Colour Run. The Cobar Youth Council will receive a \$3,000 donation from the Peak;
- All other minor sponsors have been finalised and will be featured on all promotional material for the event.

### MERCHANIDSE

- The Cobar Youth Council have ordered drink bottles and hats to be sold at the Colour Run. The merchandise has been ordered in bulk for a cheaper price by the same people who are making the shirts.

**MOTION:** The Cobar Youth Council sell the merchandise away from the bags of colour table due to the mess. Narelle Kriz suggests the merchandise table be located next to the late registration table.

*Connor McLeod/ Steph Mitchell*

**CARRIED**

### JOB ALLOCATION

- The Cobar Youth Council will need to meet at the Youth and Fitness Centre at approximately 7:00am on the day of the Colour Run. The committee will all have to help set up tables, chairs, colour bottles, colour bags, late registrations and merchandise;
- The allocation of jobs on the day of the Colour Run still needs to be decided.

### PROMOTION

- The Colour Run promotional posters have been printed and are ready to be given to businesses for display;
- The Cobar Youth Council aims to have the posters displayed in most of the businesses in Cobar;
- Charlee Davis suggests using social media such as Facebook more often to promote the Colour Run;
- An advertisement in the Cobar Weekly has been organised for the weeks prior to the event;
- Narelle Kriz suggests placing some posters under car windscreens;
- The Cobar Youth Council plan to have smaller version of posters and walk around placing them in people's mailboxes. This alternative is much cheaper than paying for the post offices service.

### OTHER (COLOUR RUN)

- The Cobar Youth Council suggests having a professional photographer at the finish line of the track to take group photos of participants and sell them for a gold coin donation;
- The Cobar Youth Council want to ask Kaitlyn Clark or Corrine McLeod to do the warm up for the Colour Run.

---

### MOREE CONFERENCE

- The Youth Council Conference is at Moree on the 25-27 of November 2016;
- There is a maximum of 10 people that can come on the Conference from the Cobar Youth Council;
- Narelle Kriz is currently looking at whether driving ourselves over or hiring a bus is the appropriate mode of transportation, but is awaiting approval from her bosses;
- The accommodation would be two hotel rooms and the trip will be funded by the Council.

### GOLDEN DASH

- The BBQ at the Peaks Golden Dash will be run by the Cobar Youth Council;
- The event is on the 28 September 2016 for a 9:30am set up. However, the event coincides with school so many members might not be able to attend.

### HALLOWEEN DISCO

- The Halloween Disco is also on the 28 September 2016 and the Cobar Youth Council have been asked to supervise.

### OTHER

- The Cobar Youth Council wishes to invite Councillor Julie Payne and Council's General Manager Mr Peter Valtko to their Friday, 14 October 2016 Meeting.
-

**GENERAL BUSINESS**

**PEAKS OF COLOUR FUN RUN**

**COLOUR**

- The Cobar Youth Council have been meeting at the Youth and Fitness Centre after school to organise the colour powder for the fun run. Narelle Kriz says there needs to be a minimum of ten bottles of coloured powder for each station of the course;
- The powder has been scooped and funneled into large sauce bottles by committee members. The colours pink, blue and green have almost been completed with purple and yellow left to do;
- An error from the 2015 Peaks of Colour Fun Run was that it was poorly advertised that sachets of coloured powder were going to be for sale. The Cobar Youth Council agrees that this needs to be included in all advertisements for the event.

**T-SHIRTS AND MERCHANDISE**

- The participant t-shirts and singlets will arrive within the next week. The shirts have a fluro design similar to last year but will make the colour stand out better;
- Peaks of Colour Fun Run merchandise will also arrive next week (with the shirts order);
- The Colour Run participants will receive a t-shirt, headband and glasses with registration. The Cobar Youth Council have organised the glasses into design categories. Narelle Kriz hopes to start taking registration for the event after the shirts have arrived and been sorted.

**MOTION:** The Cobar Youth Council should sell the merchandise away from the bags of colour table due to the mess. Narelle Kriz suggests the merchandise table should be located next to the late registration table.

### OTHER (COLOUR RUN)

- Rather than having the number plates to be placed on the front of participants t-shirts, the Cobar Youth Council will be handing out numbered wrist bands;
- Narelle Kriz has contacted Red Earth and they are happy with having the colour pink as their donation to the event;
- The Cobar Youth Council suggests having a professional photographer at the finish line of the track to take group photos of participants and sell them for a gold coin donation;
- The Cobar Youth Council wants to ask Kaitlyn Clark or Corrine McLeod to do the warm up for the colour run.

### MOREE CONFERENCE
