Introduction

Section 125 of the Government Information (Public Access) Act 2009 (GIPA Act) requires each agency (other than a minister) to prepare an annual report on its GIPA obligations (GIPA Annual report). This report is submitted to the Minister responsible for that agency within four months after the end of each reporting year.

Agencies must also provide a copy of the report to the Information Commissioner.

Council's GIPA Annual Report 2015-2016 will be sent to:
Minister for Local Government
Department of Premier and Cabinet (Division of Local Government)
Information Commissioner
Office of the Information Commissioner.

Clause 7(a) – Proactively Released Documents

Cobar Shire Council has reviewed the type of information held by Council that should be made publicly available and is satisfied that all such information is currently available to the public. This is reflected in the fact that only one formal access application has been received by Council which indicates that the public has access to all the information held by Council that is in the public interest to be made available.

The review was conducted through discussions with senior staff and managers to consider any recently available information not previously considered and/or in existence.

Clause 7(b) – Total Number of Access Applications

One formal access application was received during the 2015/16 reporting period, there were no withdrawn applications. There no applications deemed invalid.

Clause 7(c) – Total Number of Access Applications Refused

There were no formal access applications refused during the 2015/16 reporting period, either wholly or partly, because the application was for the disclosure of information referred to in Schedule 1 to the Act.
