Cobar Shire Council's current road condition report as of Friday 28th October 2022 11:47am

Motorists are always advised to travel according to the road conditions.

Council wastes valuable resources repairing damage done by vehicles using closed or wet roads. Offenders may be prosecuted and be liable to pay for any damage caused.

Please ensure to check surrounding road condition reports as our unsealed road network connects with other shires.

Light Traffic is considered up to a 4WD vehicle.
